Join us for our 4th Annual "Rooted in Love Luncheon" that will be a virtual livestream presentation of stories from our journey to offer a path to freedom, a haven for healing, and the opportunity to flourish to women trapped in a cycle of sexual exploitation and addiction. Our uplifting program will feature a fabulous speaker and a presentation from the Jasmine Road leadership team that you can enjoy from the comfort of your own home or office while enjoying a delicious lunch prepared by our social enterprise restaurant Jasmine Kitchen.

Watch parties are encouraged as a way to bring together family, friends, and co-workers to share the mission of Jasmine Road and celebrate through uniting as a vibrant community of supporters.

At this year's luncheon, our speaker Bonnie Martin, an educator on the neuroscience of how our brains are affected by complex trauma and the tools of resilience, will inspire us to successfully apply those tools to find healing and ultimately thrive.

You will also hear stories of bravery and courage, stories that will inspire all of us to lean into our own personal stories of brokenness and redemption. We will share inspiring narratives of hope and community as well as exciting successes, great and small, that we celebrate as our residential program moves into its third year.

*This event is our only major fundraiser and is the most important source of income for our organization. All proceeds directly support Jasmine Road.*

## Jasmine Kitchen Update

We miss you so much at the sunniest spot in town. We are working hard to reopen the restaurant in time for soup season with some exciting new menu options.

We have a wonderful fall meal planned for the luncheon on October 28th and really hope that you will join us for our virtual community building event.

There is still plenty of magic happening at Jasmine Kitchen as our team is working hard on the launch of the Jasmine Kitchen Care Package as well as creating a brand new candle scent that will be revealed at our luncheon.
